RE: Celebrating the Mass
The children will know why Sunday is special for Christians and will know that we come to Mass to hear the teaching of Jesus and pray to him. They will learn that in the Mass we offer thanks to God the Father for the gift of his Son and learn that during Mass the bread and wine become the body and blood of Jesus. They will learn that when we receive Holy Communion we receive Jesus and learn that Jesus is present in the Blessed Sacrament in the tabernacle. They will also learn some of the responses in the Mass and understand that Jesus died on the cross, and rose from the dead.

At Home
You could help you children by talking to them about all the things we have to be thankful for talking to them about how Sunday is a special day for Christians.
