Dear Parents/Carers,

We are really lucky to have a really committed and dedicated staff at St Joseph's that work together to offer all our children the very best education possible.

At the end of this academic year we will say goodbye to two of that staff team who have been great witnesses to those principles of commitment and dedication.

Mrs Denise Heron, our Office Manager, has served the school's children, parents, staff, governors and visitors for over seventeen years. Mr Mark Heron, our Premises Manager, has kept our school and grounds in immaculate condition for twelve years. Both have reached the stage that they would like to retire so that they can enjoy more time with each other, with their family and their friends.

We will miss them greatly here at St Joseph's but celebrate their achievements during all their time here- they have been the backbone of our school.

If either you or someone you know might be interested in being part of the school's future as our next Office Manager or Premises Manager, you can find out more about these vacancies on the school website:

Yours sincerely,

Mark Hannon
