Parents' Evening
Tuesday 30 November and Thursday 2 December

26 November 2021

Dear Parents,

There has been an increase in the number of confirmed positive cases of Covid in our local community over the last few weeks. As a result we have reviewed our risk assessment to evaluate what additional controls that we should put into place to reduce the risk of transmission of the virus at this time.

Originally we had arranged for our parents' evening meetings to be face-to-face. In order to reduce the number of potential contacts and decrease the likelihood of transmission, these meetings will now take the form of a telephone call. Teachers intend to call parents at or close to the time you originally booked for your meeting.

To support parents in understanding what children's learning looks like, we will send home the children's books for Religion, English, Maths and Science across Years 1 to 6 on the day before your scheduled meeting. We would be grateful if these books could be returned to school in your child's book bag the next morning so that they are ready to be used in lessons once again.

Please note that teachers will in most instances be ringing from their personal mobile phones, so this will appear as an unknown number on your phone. If we cannot contact you at the arranged time, teachers will endeavour to call you at another point across the course of the next two weeks.

If you have not yet arranged your parent meeting, these can still be booked through the school's Parents Evening online booking system https://stjosephscrayford.schoolcloud.co.uk/

Thank you in advance for your understanding and ongoing support.

Yours sincerely,

Mark Hannon
